

Percussion Ensembles: Lesson 15
3rd Grade Music

Name: _____

1. Please name 5 types of Percussion Instruments.
2. How can a person simply define a percussion instrument?
3. What, in your opinion, looks to be the most difficult part of being in marching band?
4. Which do you think is more challenging, being the player who has to do all of the moving and playing, or the person who designs the marching diagrams? Please explain.
5. Below, in one paragraph, write about a type of marching band design that you would like to do. What would be the challenges of doing this?
